

Ext Comp Report: Annual Battle with Chelmsford – 20:00 19th March 2024, Chancery Centre

Photofold have an annual battle against Chelmsford which, due to COVID restrictions, replaced the original “CAPS” competition which was organised by Chelmsford up to 2019. This “Battle” is held alternatively at each club’s venue and in its 5th year it was the turn of Photofold to host.

The Judge this year was David Steel who awarded 3 20’s of which Chelmsford received 2, including the image of the night for “Feeling Lost” and Photofold received 1 for Jon Bird’s image of Newhaven Lighthouse titled “Sea Power”.

This year, the contest proved to be the closest to date with Photofold missing out by just a single point on the last image which co-incidentally won image of the night.

Congratulations to Jon Bird (Sea Power) for his “20”, and Ken Cole (Lift Off), Ray Waters (Ladybird Flying) and Lynne Baldwin (Between two walls) for their respective “19’s”.
