

Ext Comp Report: Annual Battle with Chelmsford – 19:30 20th February 2025, Broomfield F.C.

Photofold have an annual battle against Chelmsford which, due to COVID restrictions, replaced the original “CAPS” competition organised by Chelmsford up to 2019. This “Battle” is held alternatively at each club’s venue and in its 6th year it was the turn of Chelmsford to host. Historically these battles with our “Nemesis” are always very close with Photofold loosing by a single point in 2024.

The Judge this year was Andy Smith who awarded five 20’s of which Chelmsford received 2, including the image of the night for “Vesturhorn Iceland” and Photofold received 3 so congratulations to Steve Stringer, Linda Skaret and Bob Hook – Images are shown below.

This year, the contest again proved to be very close with Photofold again missing out by just a few points.

Thank you to everyone who submitted their images for consideration in the “Battle” and a list of selected images and their scores is shown at the end.
